

MITANOL X-Force 0W-20 Longlife IV

Fully synthetic High-performance low viscosity engine oil
for VW / Audi

Properties

MITANOL X-Force 0W-20 Longlife IV is a fully synthetic high-performance low viscosity engine oil for VW engines. Its special formulation guarantees maximum thermal and mechanical stability and has a low tendency to evaporate.

MITANOL X-Force 0W-20 Longlife IV provides the highest wear protection and impresses with excellent low-temperature properties. This ensures a fast oil supply at all lubrication points and reduces cold start wear to a minimum. In addition, highly effective dispersing additives prevent deposits on pistons and inlet valves.

Application notes

MITANOL X-Force 0W-20 Longlife IV has been developed for the latest VW and Audi engines where VW specification 508 00 and 509 00 are required.

This product is not backwards compatible with VW 504 00 / 507 00 or other VW specifications.

Service description

Specification:

- ACEA C5

Recommendation*:

- VW 508 00 / 509 00
- VW TL 525 77
- Porsche C20

TYPICAL PARAMETERS	METHODS	UNITS	MITANOL X-Force 0W-20 Longlife IV
Density at 15°C	DIN 51 757	kg/m ³	836
Viscosity at 100°C	DIN 51 562	mm ² /s	8.1
Viscosity at -35°C (CCS)	DIN 51 562	mm ² /s	3980
Viscosity index (VI)	DIN ISO 2909	-	174
Pour point	DIN ISO 3016	°C	-54
Flash point COC	DIN ISO 2592	°C	234
